Sausage King's "Outpost Dish" Competition

For those that wish to participate in the Sausage King's "Outpost Dish" competition, you do not need to provide a phys rep of the "ingredient". You may let the Sausage King's representative know during their visit this Gather so they may note it down **and/or** note in your PEL what raw ingredient you are sending to the factory.

Ingredients may be a particular plant, animal, or Other that you have witnessed and interacted with in Bright Hollow and reasonably obtained.

Completed dish samples will be provided to you during the competition showcase first event of next year.

If you are returning, sign up for a faction in the Character Creator.

- If you feel the need to change it in the future, you can - take it with the weight of changing a job in real life.
- If you are not signed up, you will not get paid out, though you will still get random loot.
- Larger factions may not be able to take non-members on their missions.

New players are encouraged to find their faction fit In-Game.

- You will be allowed on faction missions without counting towards limit. Just let faction leaders know you are new.
- If you do have a faction you are set on, you may sign up in the Character Creator.

On-site opens at 5pm.

Check-In opens around 7pm, in the Tavern. Please check in before 9 so we can get opening meeting started at 9:30.

Players will need to sign the yearly waiver. You can print in advance ([link](#)), or sign at Check-in.

Please bring a reusable drink container.

- There will be water available via dispenser jugs or water bottles. Even pouring the water bottle into a reusable container significantly reduces half drank bottles, preventing waste and clutter.

Remember to send your Character Histories to L8@lionerampant.com.
