OOQ

NEW CAMPAIGN, NEW CHARACTERS, NEW CAMP!

Character Creator:

Make sure you have built your character on the Character Creator ([Link](#)) and print out your Character Card in advance. There is limited wi-fi/service at the camp. If you have not done so already, send your Character History to L8@lionerampant.com.

Check-In:

On-site opens at 5pm.

Check-In opens around 7pm, in the Tavern. **All players must sign and provide a yearly waiver ([Link](#)).**

Due to the new camp and new campaign, we are asking those that filled out a waiver already **to do so again**. We will have waivers on-site, but filling out in advance makes check-in faster!

Only players need to fill out the waiver, script waiver is part of the script check-in sheet, in Central Control.

New Camp:

The address for the new camp is:

Frank A. Day

125 South Pond Rd

East Brookfield, MA 01515

This can also be found on our website. Check out this ([Link](#)) for a map of the campsite to show you cabin locations, car safe paths, and where you to park.

We advise unloading your car at your cabin first, then returning your car to park in the East Field.

See you soon!
